

Immortals: Gods and Heroes HC

Archaia Black Label and Relativity Media are proud to present an all-new, epic collection based within the world of the upcoming Tarsem Singh-directed film Immortals, starring Henry Cavill, Mickey Rourke, and John Hurt. This OGN is not an adaptation of the film, but rather an anthology of original tales that expand the mythology and introduce fans to the exciting world featured within the movie. Witness the epic battle between Gods and Titans, with the future of Mankind in the balance! Featuring two painted covers by superstar artist David Mack (Kabuki), this unique hardcover flips, separating the book in two: half dedicated to tales of the Gods, the other half showing Mans struggles to claim the Earth as their own. These amazing myths are brought to you by some of the greatest creators in comics: Jimmy Palmiotti & Justin Gray (Jonah Hex), Chris Roberson (Superman, iZombie), Jock (The Losers, Detective Comics), Ron Marz (Green Lantern, Artifacts), Dennis Calero (X-Men Noir, Batman), Jim McCann (Return of the Dapper Men), Steve Lieber (Whiteout), Francesco Francavilla (Detective Comics, Black Panther), Jeff Parker (Hulk, Thunderbolts), and many more!
