

Owned by the Pack (Caitlin and the Werewolves Book 2)

Its been several months since Caitlin got caught burglarizing the mansion owned by the stern, domineering leader of a large pack of werewolves. She made her choice then, between prison and restitution, and has been Benjamins servant and bondage toy ever since. But while the sex has blown her mind, being kept naked and collared in his mansion has her feeling restive. She wants to wear clothes again, and wants more freedom. But when Benjamins new pack mate moves in she might find herself with more freedom than she wants. If she cant convince Daryn and the pack she really is just a possession of their leader, she will have to leave. And the thought of leaving her new life of wild, wicked passion and sex to return to her old dull life being alone and burglarizing houses for money is NOT an attractive one. To make matters worse, the new vampire head, Jeremiah, has designs on Benjamin and his pack which involve recruiting Caitlin, whether she likes it or not! And then theres Kyle, the new addition to the household, huge and half wild, with nearly uncontrollable lust for anything female! Warning: Graphic sex and sexuality. BDSM themes 70,000 words
