

Saber Chronicles Volume One

This book contains the first four books in the Saber Chronicles series: Alaric's Perfect Mate, Slades Feisty Mate, Caleb's Tempting Mate, and Galens Lovely Mate. If you already own these books, please do not purchase this book. * * * Alaric's Perfect Mate (Saber Chronicles Book One) Saber-toothed tiger shifter Alaric Carmichael has been having mating dreams for the last year. He begins to think it's a lost cause, until one night when he scents his mate in the crowd. Now, Alaric has a new purpose in life: making his mate deliriously happy. It's a good thing she likes the way he purrs. Contains m/f interaction, a rare shifter, and the human who makes him purr. * * * Slades Feisty Mate (Saber Chronicles Book Two) Gretchen never expected her mate to purr, but she's thrilled she's found her true mate. She's always thought of wolves as being the most awesome shifters because of their hunting skills and pretty fur coats, but she's beginning to think that saber-tooth tigers are pretty awesome too. Especially her true mate, who thinks she smells like butterscotch and likes how feisty she is. * * * Caleb's Tempting Mate (Saber Chronicles Book Three) As vampire master of the city of Belle Terra, Caleb Night has seen just about everything. When a gorgeous saber-tooth tigress female finds him in his private club, he knows he's staring into the golden eyes of his true mate. He never expected his true mate to be a shifter, but nothing makes him hotter than when she purrs. * * * Galens Lovely Mate (Saber Chronicles Book Four) Fairy Serena Fontaine has been away from the Belle Terra Supernatural Hotel for a week when she has a dream urging her to return to town. As she draws close to the arena where the were-fights are being held, she has a vision of a saber-tooth tiger and passes out. She wakes up in the arms of her true mate, a gorgeous saber shifter.
