

Samskaras (Love and Light Series Book 2)

Christians karmic debt is about to come due when a powerful witch named Heather dances into his life and into his heart. He needs to possess her, body and soul, but when she submits to his desire, he doesn't comprehend the enormity of what he's done. A pawn in a dangerous game, he's forced to betray the woman he loves to satisfy his relentless master, whose sights are still set on the Light Walker, Loti. Unable to protect her, Christian has a choice: either enslave Heather or forfeit his life by letting her go. Can love and light free him from the darkness?
