

Sonar X Csi Starter

Now beginners can take a new approach to learning the basic features of SONAR 4! This interactive, tutorial CD-ROM allows you to work your way through a basic production from start to finish as you discover how easy it is to get down to the business of producing a song. Sit back and watch a DAW pro show you the ins and outs as you work through more than two hours of movie tutorials on topics including MIDI Setup and Metronome, Virtual Instruments, Editing Audio/MIDI, Automation, and Creating an MP3. Use the quizzing feature to test your skills along the way.
