

In Step with the Pack (Taboo Paranormal Billionaire Wolf Shifter Romance)

A Tale of Forbidden Love and Werewolves

Stacey had always enjoyed spending time with older Toby as she grew up. Now that she is ready for college, she finds herself having a hard time leaving him. A very wealthy man, Toby spoiled Stacey rotten. Over the years his gifts have changed from stuffed animals to trips around the world for just the two of them. Now, with summer winding to a close, things begin to change between them. A 3 week trip across the country to her college together is his final gift to her. In such close quarters Stacey will have to come to terms with her feelings for the man she grew up with, and discover just how he feels as well. Things go completely awry when Toby reveals a secret that affects both of them. It will change Stacey forever once she comes to terms with it.
