

## Here Big Boy (A BWWM Tasty Taboo Forbidden Fantasy)

The man of the house thinks my recent lascivious behavior calls for a trip to the OB-GYN. After his son, Harry, and I had a one-night tryst in the bedroom we practically shared growing up, and after my lewd caught-in-the-act behavior with Jameson, one of the farmhands, the man of the house has scheduled an OB-GYN appointment for me. Fine. But there's a catch! Mr. Goldstein insists on being in the medical exam room with me....I can't give you any more details here. It's too hot! Click Look Inside for a sneak peek! **WARNING:** Not for the weak of heart, and for adults 18+ only. This work of fiction is the product of the authors' wild and fun imagination. Any similarities to real life characters, places, and events are completely unintended and purely coincidental. Please further note that all characters depicted in this story are of legal adult age, and are unrelated and consenting adults. It contains extremely graphic descriptions of sex acts including a sexy medical exam and nurturing. If you are offended by the nature of such stories, please do not purchase this book. Otherwise, enjoy!
