

In the Valley of Lost Egos: An Erotic Tale of Love, the Power of a Womans Body and the Destructiveness of Lust

A man argues with his wife and wakes up in a strange land in this erotic comedy! He soon realises he has shrunk to the size of a micro-organism and is lost on her body. But he is not alone; other men from her past life have washed up on the same shores. He must survive in the hostile environment and find a way to communicate once again with his wife! This funny - often hilarious - tale is reminiscent of science fiction story The Incredible Shrinking Man. But this is smart and sexy!
