

Incubus Among Us #4 (Shifter Romance)

Liz Monroes life heats up as the succubus inside her continues to grow more powerful. She goes through some tantalizing growth spurts and finds herself reveling in the sensual power she holds over men. Her lust finds its first prey in one of her innocent coworkers, and disaster is barely averted when David steps in to help himself to some of her fun. To make matters worse, her friends conspire to hook her up with a blind date to get her mind off her current man troubles. Will she find herself attracted to him, or will it be the other way around? Incubus Among Us #4 is the fourth of five books in the INCUBUS AMONG US series.
