

Bliss (The Custos Book 1)

This version was edited professionally and updated to Kindle on 7/27/13. Any errors remaining in the book are mine alone. This is the FIRST in the series and Redemption is second. This book is an Erotic Paranormal romance intended for 18 years or older and not for the squeamish. London Chase has set her mind to a new start as far from Texas as she can get but lands in Vegas under the protection of a sexy but deadly Vampire, Cacius Troy. Her Father and a brother she has never met are looking for London dead or alive and are willing to stop at nothing to bring her back to Texas. Her blood holds the key to unleashing Bliss on a nation not prepared for its affects. Now she must choose between the growing passions and love for her Vampire savior, or the Father she always wanted to please.

In the fight for London, Cacius falls deeply in love with the spoiled rich girl and one night of passion ignites a fight to the death to save her from their clutches. He has never gone into a battle with so much at risk knowing her life is on the line Cacius will fight dirty and cause hell itself to tremble if anything or anyone gets in his way. Passion will unfold as danger thickens and forces Cacius and London to face their biggest fears and trust one another to the death, or un-death as it may be. The streets of Vegas are no stranger to sin, but when a drug intended to change the life of rape victims lands in the hands of the Vampires. All bets are off.
