

Iniquitous Solace: The Aftermath

We all want to fall in love and for it to last a lifetime. But life and wishes rarely coincide, so what happens when love dies and you're the only one still holding onto broken dreams? In *Iniquitous Solace - The Aftermath*, we get a glimpse into the world of one such lovelorn poetess. Come laugh and love with Penelope as she shares her very soul through her heartfelt words and poetic verse. With this girl you get it all; come walk in her shoes, wear her stripy knee-socks, or even her collar that locks! Though battered and bruised, you will love the spirit that defies disappointment. Penelope Jones picks herself up, dusts herself off and stares life straight back in the eye. *Iniquitous Solace - The Aftermath*.

For a different kind of love, *Iniquitous Solace: The Aftermath* includes romantic, erotic, angry relationship poetry intended for mature/adult audiences.

Approximately 8,200 words
