

Bigger, Harder, Better: Hotwife and Cuckold Erotica Stories

Be careful what you wish for... For years, Max has fantasized about his gorgeous wife, Amanda, being taken by a young, black stud. But Max has had enough of roleplay and tricks both his wife and her hunky colleague, James, into a night of passion. Its a trick that will disastrously backfire... Furious at his deception, Amanda and James turn the tables on Max, turning his fantasy into a cuckolding nightmare. He must watch helplessly as a superior lover satisfies his wife - a devastating humiliation that leaves him broken and turns Amanda into the woman she never thought she could become. An erotic romance featuring an alternative but loving relationship, this short story features an alpha male and a married couple experimenting in mature fantasies, lifestyles and situations.
