

## Insufferable Proximity

\*Insufferable Proximity was edited and re-published on August 1, 2012\***WARNING- CONTAINS STRONG SEXUAL CONTENT!** Someone is hell-bent on sabotaging Julian King. Julian is a hot-shot lawyer and a natural born womanizer with an unnatural addiction to the opposite sex. With a line of scorned women, a brother who loathes him and many competitors hedeated on his way to the top, there were plenty of people that would love to see him burn. But his money was on the person he despised most: Heaven Deville, an aggressive, ambitious, destructively-driven lawyer who hates Julian. The two stubborn lawyers are locked in a brutal battle for the coveted partnership position at the firm, and Heaven would do ANYTHING to prevent her arch rival from winning. When Heaven goes too far in her attempts to secure the partnership and gets caught in a situation that could cost her everything, including her job, professional reputation and her dignity, Julian gives her two options: either he turns her in or she has to willingly sign herself over to him for the next 30 days. Backed into a corner, Heaven realizes there is only one possible choice... But is she strong enough to submit to a man she despises so completely? Authors note -**POSSIBLE SPOILER**- Julian never cheats on Heaven and there is a HEA .
