

Intergalactic Genderswap

When a team of space marines discover a planet with fascinating new technology, they cant wait to explore it. Until they learn that no man may set foot in its civilisations most important buildings. Dr Walter McKinnon, the teams scientist, has no choice but to undergo a gender transformation in order to get the vital knowledge and it turns out to have an exciting influence on his relationship with one of his other team members. --- Intergalactic Genderswap features over 6,000 words of sci-fi gender bending, and contains explicit scenes of MF sex, MM sex, and sexual discovery.
