

International Commercial Arbitration: Commentary and Materials

International Commercial Arbitration contains detailed commentary, case analyses, and practice pointers. Full annotations and footnotes provide invaluable research assistance, while clearly-written analyses identify and discuss critical issues. Representative international arbitral awards and national court decisions are excerpted, and detailed reference is made to leading institutional rules. Detailed appendices, an easy-to-use Table of Contents, and an extensive index to aid research and provide ready access to key materials. Co-publication with Kluwer Law International. North American sales rights only. Published under the Transnational Publishers imprint. For class adoption a student edition is available for \$85.00 (978 1 5710 5175 2). Please contact the Brill sales department to arrange an order.
