

## Columns Viking Captivity III: The Warrior Slave (Colum and Viggo Book 3)

Colum has earned his freedom, by proving his worth in battle! But if the end of his slavery means the end of Viggos sweetly cruel tutelage, is it worth it? And Colum is a slave owner himself now will he do what he must to protect his friend Niall, and show the other Vikings that Niall is his property by using him like the lowly thrall that he is? And when a man from Viggos past calls them to do battle with the Franks, is Colum ready to fight by his lovers side as an equal?
