

A Protected Witness (Ultimate Agents)

A FACE FROM THE PAST Because of the FBI, Allison Barnes lost her husband in an execution-style shooting that left her gravely wounded and with no memory of that night. Now, the Witness Security Program was her only recourse. But once the killer found her again, there was only one person from her past she could trust her husbands protege, Mitch Decker. When Allie contacted him, Mitch knew that if he couldnt unlock her memories, both their lives would be forfeit. Yet in the throes of danger he began to uncover her passionate side. Would deadly secrets tear her from his arms, or could he protect this witness with his love?
