

# iPad for Lawyers: The Essential Guide to How Lawyers Are Using iPads in the Workplace, What Apps (Paid and Free) You Need, and How to Use the iPad<sup>2</sup>

iPad 2 is a game changer. Its easy to get caught up in Angry Birds and forget that under the surface of the mighty tablet is a computer that is powerful enough to make just about anything easier. This book is meant to show you several things; first, it will show you how the legal profession is not only using technology, but specially the iPad 2; second, it will show you the apps that every lawyer should have-both free and paid; finally, it will show you how to actually use the iPad 2.
