

iPad with iOS 10 and Higher for Seniors: Learn to work with the iPad (Computer Books for Seniors series)

This comprehensive book shows you how to get the most out of an iPad with iOS 10. This book teaches you how to surf the Internet, write emails and jot down notes. The iPads built-in apps (applications) are also discussed. These apps allow you to listen to music, take pictures and make video calls. The book also shows you how to use the App Store, to download other applications free of charge or for a small fee. Each chapter of this book is broken down into small, concise, step-by-step instructions that can be followed at your own pace. With large-print type and an extensive index, this is the best resource for getting acquainted with your iPad with iOS 10. Learn how to: Navigate the screens Connect to a Wi-Fi or 3/4G network Surf the Internet and use email Use built-in applications Download apps Work with photos, video and music Use Facebook, Twitter and Skype Suitable for all iPads with iOS 10.
