

Viking Mine

When Rovenia discovers a wounded Norseman in the woods, she goes against her uncle and hides him from her people. Until his people, the Vikings, find her instead. Tied to the prow of their dragonship, she is carried away from all she has known to become a northland slave. Only her heart remains free and she vows she will not let it be captured even as her attraction grows for the magnificent nephew of the jarl. Praise for Clover Autrey: The excitement and intensity of the storyline is almost addictive. ~~~ Clean Romance Reviews Ms. Autrey creates great conflict and emotional characters. ~~~ Jerrie Alexander, author of No Chance in Hell.
