

Fleece (First Time Tales Book 2)

Happy Ever After sexy novella
NO Cliffhanger ~ VINCE ~ I left New Zealand a sheep shearer and returned as one of Europe's top fashion models. I've travelled the world from photo shoots in Patagonia to paid appearances in Paris nightclubs, and had beautiful women literally on their knees, willing and eager to pleasure me. Now, I'm back. In front of me is the one girl I've never forgotten, the girl I've always thought of as a little sister. Rebecca Arlington. At nineteen, she's not a child anymore, but she's innocent and untouched. She plays a dangerous game with me that threatens not only her virtue, but her precisely planned future. I try to warn her off but she challenges my resolve at every turn. Becca is the last woman I should pursue, and the only woman I crave. ~ REBECCA ~ There was never a time when I didn't adore Vince Hudson. He features in a long list of firsts for me. He taught me to ride my first pony, train my first sheep dog, fish for the first trout I caught in our lakes. He was the perfect substitute older brother for a single child on a remote high country sheep station. Then he left. For five years I've followed his career, my childhood crush blossoming into a young woman's complete obsession. There's one more first I've carefully kept for Vince, and I intend him to have it. For five years it's been my secret because my father declared no Hudson man will ever set foot on Ravenscleugh land again. Now, he's back. Reader Advisory: FLEECE is a sexy little story about a man who should walk away from the nineteen-year-old who's old enough to go after what she thinks she wants. Crazy, dirty, and they all live happily ever after! A short raunchy first time read guaranteed to steam you up.
