

Ethans Choice (Kindred Spirits)

Book one in the Kindred Spirits Series When two insanely hot guys encounter a few distressed spirits in the beautiful Whiskers Seaside Inn, love becomes entangled with a mystery that must be solved. Whiskers Seaside Inn doesnt sound like the most exotic location for a weekend getaway, but its certainly intriguing. Ethan Roberts is smitten the moment he sees the weathered clapboard inn, and even more so when he meets the establishments hunky handyman. Cade Wyatt seems like a good man to have around. Hes muscular, handsome and very protective of the inn and its occupants. He falls into lust, and then bed, with Ethan. The inn has two paying guests, but Ethan discovers theres another cast of characters who come and go. Cade might be nonchalant about the ghosts, but Ethans not sure he feels the same. He wants Cade more than anything, but Cade wont leave the inn. Somehow, Ethan must find a way to live with the spirits as well as the man hes come to love.
