

## J. D. Robb CD Collection 4: Witness in Death, Judgment in Death, Betrayal in Death (In Death Series)

Witness in Death: Opening night at New York's New Globe Theater turns from stage scene to crime scene when the leading man is stabbed to death center stage. Now Eve Dallas has a high profile, celebrity homicide on her hands. Not only is she lead detective, she's also a witness - and when the press discovers that her husband owns the theater, there's more media spotlight than either can handle. The only way out is to move fast. Question everyone and everything ... and in the meantime, try to tell the difference between the truth - and really good acting. Judgment in Death: In an uptown strip joint, a cop is found bludgeoned to death. The weapon is a baseball bat. The motive is a mystery. It's a case of serious overkill that pushes Eve Dallas straight into overdrive. Her investigation uncovers a private club that's more than a hot spot. Purgatory is a last chance for atonement where everyone is judged. Where your most intimate fate depends on your most intimate sins. And where one cop's hidden secrets are about to plunge innocent souls into vice-ridden damnation. Betrayal in Death: At the luxurious Roarke Palace Hotel, a maid walks into suite 4602 for the nightly turndown - and steps into her worst nightmare. A killer leaves her dead, strangled by a thin silver wire. He's Sly Yost, a virtuoso of music and murder. A hit man for the elite. Lieutenant Eve Dallas knows him well. But in this twisted case, knowing the killer doesn't help solve the crime. Because there's someone else involved. Someone with a more personal motive. And Eve must face a terrifying possibility - that the real target may, in fact, be her husband Roarke.
