

Minxs Overflowing Collection #2 (Minxs Overflowing Collection)

This is a collection of four erotic lactation short stories previously published separately. **Stranded and Overflowing** - Eighteen-year-old Danny is driving home when he comes across his best friend's mom, Mrs. Taylor, having car trouble. She's very pregnant, and he offers her a ride home. But on the way, her milk-engorged breasts begin leaking, and she asks him to stop somewhere so that she can relieve the pressure. She allows him to watch as she draws her milk from her breast with her hands, and soon he's taking over, his mouth replacing her fingers, until their mutual lust overwhelms them. **Stranded and Overflowing 2** - Eighteen-year-old Dylan is driving his next-door neighbor, Mrs. Sweeny, up to her cabin on the lake because she's too pregnant to go by herself. But when a storm hits and strands them at the cabin, she soon has a problem: her milk-engorged breasts need relief. Will Dylan help the older woman with her dilemma, and will their new intimacy reveal their secret desires for each other? **Overflowing Birthday Surprise** - Eighteen-year-old Robbie is invited to Travis' first birthday party, and is tricked into eating a cake made for the boy. The incident sets in motion the attraction between Robbie and his cousin's wife, Amber, who is still breastfeeding her son. Soon, he and Amber are getting close, and she's allowing him to sample her milk, among other things. **Overflowing Houseguest** - Eighteen-year-old Kyle is not having much fun. He's been kicked out of his bedroom because his Uncle Devin has moved in with his family, and has brought his pregnant girlfriend with him. The only positive aspect to the situation is Hannah, the pregnant girlfriend, who Kyle thinks is beautiful, especially her swollen and milk-filled breasts. Devin is a jerk, and treats Hannah badly, but when Kyle gets the chance to spend a weekend alone with her, he treats her extra special. Soon, the

pair become close, and she explains to him that her milk has come in, and what she has to do because of that. Kyle listens avidly, and soon becomes part of the process, helping her relieve the pressure of her milk-engorged breasts. Contains graphic descriptions of lactation and sex. Adults only. 34,705 words, or 139 standard pages, in length. (Not including supplementary material)
