

# Body Parts: A Practical Sourcebook for Drawing the Human Form

The human figure is a classic artistic subject - beautiful, inspiring, and challenging to draw. This sourcebook shows the many ways of seeing the figure and offers instruction, advice, and visual inspiration. Also included are tips and techniques on proportion and basic anatomy and the details of the human form. There is an invaluable photographic reference source for a variety of poses and features. This book will help you to shape your own approach and individual style, and allow you to better understand and portray the human body.
