

Julie Garwood CD Collection: Killjoy, Murder List, and Slow Burn

Killjoy: Avery Delaneys razor-sharp mind and ability to gather data and decipher evidence has made her an expert crime analyst for the FBI. But soon she will have to use every one of her skills on a case that hits painfully close to home. Averys workaholic aunt, Carolyn Salvetti, persuades her niece to join her for the two weeks of luxury and decadence. But Carolyn never makes it to Utopia

Murder List: When Chicago detective Alec Buchanan is offered a prime position with the FBI, he takes it as the perfect opportunity to leave the Windy City and follow in his brothers footsteps to the top echelons of law enforcement. But first he must complete one last assignment: acting as a glorified bodyguard to hotel heiress Regan Hamilton Madison. The gorgeous exec has become entangled in some potentially deadly business: Someone has e-mailed her a graphic crime-scene photo - and the victim is no stranger.

Slow Burn: Living a successful life in Charleston, South Carolina, Kate MacKenna has always been able to turn her challenges into triumphs. But now the fates seem to be lining up against her ... in a lethal fashion. Dylan Buchanans convinced that shes merely having a spell of bad luck - until he discovers how many people want Kate dead.
