STARbooks Press is pleased to announce the re-release of Juniors Another one of John Patricks classic, scorching anthologies is now released in a new second edition! JUNIORS is a huge collection of erotic tales about men who graduate from virginity to a torrid sex-life and fulfill all their erotic fantasies. When originally published, the steamy passages about young-and-hung studs made it an instant best seller! Weve had many requests to reprint this anthology and now its finally here! Contributors to this anthology include leading authors such as L. Amore, Ken Anderson, Antler, Edward Bangor and Peter Gilbert, Cory James Legassie. Also included are Hustling the Bone in Atlantic City, a novella by Thom Nickels, and In the Presence of Innocence Memoirs of a Lusty Early Life Down on the Farm, by Thomas C. Humphrey.
