

Claiming Camile: Part One: A Story of Complete Submission (Servants of Hartly Barn Book 4)

The only real difference between a sex slave and debutante is the costume. Camille abandoned her life as a Southern debutante as soon as the sado-masochistic classic *The Story of O* created in her a need for submission beyond the may I get you a glass of lemonade life for which she was being groomed. She finds happiness as a servant in the Hartly Barn, but until the arrival of Dr. Girard, she hadn't been asked to truly, completely submit. When I ask you a question and address you by name, you may answer me. Otherwise, you are not to speak. I will have guests this evening and for the duration of my stay. You are not to speak to them unless I tell you to, using your name. As my guests, they will be free to use you when they wish and you will always be ready to accept them. Far from genial Dr. Williams, this stern Frenchman could bring Camille fulfillment at last.
