

Birthday Burglar (m/m sweet erotica)

--- Two men. A dog. A balaclava. --- Its Neils birthday and his boyfriend, Jamie, is determined to make it unforgettable. With Neil complaining that their life got predictable, surprise is key. Jamie comes up with the best birthday plan ever, but nothing seems to go his way. His sexual role-play idea goes sideways, and the gift he got Neil does everything in its power to interfere in the bedroom. Can Jamie still make it an evening to remember?

POSSIBLE SPOILERS: Themes: established couple, birthday, smaller top, men with pets, opposites attract Genre: erotica, contemporary, comedy Erotic content: Contains explicit m/m sex scenes, failed role play and a chocolate orgasm Length: ~6,000 words What reviewers say:

What a fun little story! I guess most of us have wanted to surprise loved ones for a special occasion, and found that those surprises aren't always as successful or gladly received as we imagined. Jamie has a definite case of surprise gone wrong and not just one, but several in a row. Neils reactions were priceless, and the one thing that made this a comedy of errors (rather than a tragedy of things gone wrong) was the love between the two men. It put everything into perspective, and let even the less successful elements of Jamies surprises appear in a favorable light. Love can be just magical like that. - Serena Yates (Rainbow Book Reviews)
