

Kaines Redemption [The Billionaires and Their Playgrounds 1] (Siren Publishing Everlasting Classic)

[Siren Everlasting Classic: Erotic Consensual BDSM Romance, spanking, sex toys, HEA] Dynamic and charismatic forty-year-old businessman Kaine Deville always gets his way. Self-reliant and self-absorbed, he's certainly ruthless, especially when it comes to satisfying his voracious sexual appetite. Far away from prying eyes, his private island in the Caribbean is just the place to indulge his hedonistic fantasies. When he meets Jessica Morris, a twenty-nine-year-old Cornish schoolteacher and aspiring artist, his interest is aroused. Her undeniable artistic talent may seduce and beguile him, but it's the froth of bright red curls framing her beautiful elfin face that makes him want to claim this lady all for himself. Invited to immortalize his island paradise with oils and watercolors, Jessica is instantly attracted to the devilishly handsome billionaire. His captivating charm, mixed with a sexy hint of menace, leaves her unable to resist the potent chemistry developing between them. Will Jessica be able to stand her ground against Kaines all-conquering personality? ** A Siren Erotic Romance
