

Kalen (Hidden Breeds Book 2)

Working as a hotel maid never seemed like a bad thing at least, not until a lunatic bursts into the room Ally is cleaning and injects her with a serum that will change her life forever. Can she overcome the fact that she may never be able to go home? When confirmed bachelor Kalen sees Ally on the hotel bed face down, he thinks the worst until she bites him. Are these strange feelings he keeps getting because they now have a bite bond, or does he really want her in his life forever?
