

## Karl Lagerfeld & Babeth Djian: Numero Couture

This book features Karl Lagerfeld's most beautiful photographs of haute-couture garments shot for French fashion magazine Numero, to celebrate its 15 years of collaboration with the famous fashion designer. Who else but Lagerfeld could better reveal the timeless and intricate beauty of couture? With all his innate imagination and indulgence, Lagerfeld has immortalized the iconic models of our time within the covers of Numero: Cara Delevingne, Linda Evangelista, Natasha Poly, Anja Rubik, Lara Stone, Stella Tennant, Natalia Vodianova--all these and more have participated in his game, often framed by sumptuous decors worthy of the greatest Hollywood productions. Lagerfeld's spectacular stagings visualize our most daring fantasies of female archetypes, from fairytale princesses to contemporary muses.
