

## MacAlisters Hope: a Kilmartin Glen novella

Kieron MacAlister has always loved Fia MacLachlan, a wee fey lass he met years ago who, with her sweet smile and surprising insight, changed his life. When he comes face-to-face with the beautiful woman she's grown into, can he convince her to change her life, too? Award-winning, Kindle Top 10 bestselling author, Laurin Wittig, revisits the world of her debut novel, *The Devil of Kilmartin*, in this sweeping love story set in the Scottish Highlands.
