

Kentucky Fried F*ck: A Taboo Tale (BBW Interracial Forbidden)

Lisas fried chicken business has fallen on hard times. She could ask Reggie, the man who raised her, for help, but they havent spoken since she ran off to be a stripper years ago. When the bills start piling up, though, she knows what shes got to do. Shell put her stripping skills to work and convince Reggie to tell her his famous chicken recipe. When Lisa visits Reggie, she doesnt count on getting so turned on by him. She also didnt count on Marcus, the boy she grew up with, interrupting their naughty meeting. Shes never been with a black man, and now shes about to have two at once. If shes a good girl, they just might hand over the recipe she needs to save her business.
