

Kirby Genesis: Dragonsbane

Sigurd Dragonsbane, one of the greatest creations of legendary comic book writer/artist Jack The King Kirby, returns in an epic tale of valor and victory! When the Fell Mists, which have shrouded the borders of Valhalla for time immemorial, rise to expose other Mythlands beyond his own, Sigurd and his brethren Balduur, Honir, and Heimdall revel in the knowledge that they may once again ride abroad into unknown lands, lending arms to those in need. Tahmina, a princess imprisoned by fearsome dragons in distant Persia, sends a psychic projection to Valhalla, requesting their aid. Across strange summits and seas, they rush into adventure... facing witches, hulking beasts, and fiery she-demons along the way!
