

Bound In The Stacks: A Library Bondage Fantasy

Nineteen year old Gwendoline had jumped at the chance to take a summer job at the library. Reading was her passion, and it was fun aside from her smarmy older boss, Duncan, who mercilessly teases the young shut-in. But then she starts getting love notes in the returns slot that pique her curiosity. Who could her mysterious secret admirer possibly be? And dare she meet him to find out? An adult tale for audiences 18+, 5K words in length
