

Kull Volume 2: The Hate Witch

David Lapham (Stray Bullets) pits Robert E. Howards original barbarian king against a terrifying magical foe from his doomed homeland of Atlantis. The Hate Witch has waited from the beginning of time for a great man of uncertain destiny, whom she can use to bring about the destruction of civilization. She believes that King Kull is that man, and she has launched an all-out assault on Valusia, slaughtering its people, in an attempt to draw him to her seat of power—the wilds of Atlantis! Kull will have to return to his savage origins if he wants to hold onto the throne in Valusia and save it from civil war! Collects issues #1-#4 of the miniseries.
