

## The X Factor Manual -Learn How To be A Model Even If You Dont Look Like One

The ONLY book of its kind, offering the regular folks, including the Professionals, proven and field tested methods, to working with and intensifying Sex Appeals! by learning Modeling techniques and cheats, mixed in with methods from other disciplines encompassing but not limited to the world of Fashion, Photography, Modelling, Esoterics and Seduction (PUA)! Whether youre a Professional model, an aspiring model or just someone who wants to increase his/her sex appeal and attractiveness? This book is indispensable! As youll see, this information simply is not taught anywhere else. Guaranteed to give you that much needed edge to make you win! The reader can expect DRAMATIC improvements, by implementing the easy to do exercises recommended in the book. Doing so, will give you a much better chance at landing that Modeling gig, making you sexier and more attractive in the eyes of the target(s). Trust me, I dont care what you currently look like-- you still have soo much more hidden reservoirs of beauty and sex-appeals you have not yet discovered and exploited to your benefit! -- Would you like to cheat and gain a couple of inches in height? -- How about a few inches added to your breasts or butt? -- Would you like to a way to cheat a few centimeters to increasing/reducing otherbody parts? -- How about sharpen or strengthen your facial features? All that and more will be taught in the book. The reader can expect these results in only weeks and for some--just days of practice. This method will work for everyone! From thin to obese, young and old, average-looking to the super gorgeous, knowing these techniques will level up your X-factors! Hint: If youve ever seen a person classified as unattractive, yet has a strong presence about her? Not beautiful but inexplicably and undeniably attractive? Congratulations, youve just experienced attractiveness that

transcends the physical! This is X-Factor!  
I cant promise everyone will look like
