

Bared To Him: Shifter Romance (Tentacles Shifter Series Book 1)

Human by day and a tentacle shape shifter by night, Gray Wagner, is the last male that Alaskan custom boat maker Miranda Bolton dreams of falling in love with. Hes irritating, arrogant and teases her to no end. Due to her ancestry, Miranda knows she has a good chance at becoming a shifter just like Gray. Alone with him, traveling the high seas on a yacht, she unexpectedly cant stop fantasizing about him. Suddenly Gray becomes the only one she wants to mate with, and shes going to make sure she gets what she wants Gray Wagner promised Mirandas dad that he would keep his daughter safe during their week-long ocean voyage to attend a mutual friends wedding in California, but Mirandas succulent scent is driving Gray wild. He knows he shouldnt be thinking about doing all the dirty and delicious things he wants to do to her, but all his promises to Mirandas father disintegrate when Miranda shifts and Gray goes primal Sequel to Passionate Ink
