

Last Call Europe: Devils Advocate

Tiger shifters Mya and David have a problem. Every time Mya gets aroused, it wakens a beast within her that threatens to overpower her tiger. Unable to consummate their marriage with a proper mating, they turn in desperation to the Last Call, looking for a demon to undo the curse that afflicts her. Jedidiah Wormwood Worth is a powerful demon and at the top of his field. He's not only a devious trickster who will rob you of your soul; he's also a successful attorney for the underworld -- the real underworld. When he sees the straitlaced shifters at the Specialty Bar, he knows that they'll be his. What he doesn't realize is that by the time the night ends, his heart will belong to them. Devils Advocate: Sex for a service, damnation not included.
