

The Johnson Obsession

(Previously published in an anthology, The Johnson Obsession has been rewritten and lengthened for re-release.) From her balcony every evening, Vivian secretly watches her handsome, hot neighbor as he swims and lounges at their apartment complex pool. When he shows up at her door one night, she's sure he's just there to deliver some misdirected mail. But suddenly, Duke Johnson is touching her. Dominating her. Carrying out sexual plans that she could only dream of exactly the ones she's dreamed of, in fact. How does he seem to know the contents of her dirty little fantasies? The ones she'd never tell a soul about. And will he carry this one through to the end?
