

The Lawyer as Leader: How to Plant People and Grow Justice

The Lawyer as Leader: How to Plant People and Grow Justice is an inspiring roadmap designed to help lawyers become effective agents for social change. Based on author Dr. Artika R. Tyners leadership development and community engagement work, Planting People, Growing Justice, the book shows how attorneys can use their legal skills to work for social change, contribute to communities that foster social justice, and empower and develop new leaders. The Lawyer as Leader is beacon call for lawyers who wish to harness their skills and training to become leaders in the struggle for social and economic justice.
