

# What You Really Need To Know For The Second Half Of Life: Protect Your Family!

I had the pleasure of coordinating the writing of this book and hand selecting this group of leading elder care attorneys from across the United States. It was an honor to work with these leading lawyers, and I want to thank each of them for sharing their knowledge and experience with the readers of this book. Julieanne E. Steinbacher, Certified as an Elder Law Attorney by the National Elder Law Foundation
