

# Learn Python In A DAY: The Ultimate Crash Course to Learning the Basics of Python In No Time (Python, Python Course, Python Development, Python Books, Python for Beginners)

Python Are You Ready To Learn Python Programming? Welcome and have fun with Python! Today only, get this Book for just \$10.99. Regularly priced at \$15.99. Learning a programming language is not an easy work if you dont have the RIGHT system. It requires time, money and desire. You must search an academy or a teacher, achieve coordination with them, or worse, adapt your own time to their class times. You also have to pay the high fees, month to month, and what is even more annoying is this: you will probably have to go to a special place in order to practice the new programming language! You see, when it comes to learning a new programming language we are ALL in the same game, and yet most poeple dont realize it. I made this crash course for a reason I made this course to give YOU a solution. This crash course about Python programming is not only going to teach you the basics of Python in a didactic way, furthermore, you will learn Python language WHEN you want, and more important, WHERE you want (It could even be at your home!) I made this crash course to show you HOW you can learn Python FASTER than you ever thought possible. I will teach YOU step by step the Python Language extremely quickly. I will TAKE you through a step by step guide where you simply cant get lost! This course-book will allow you to practice, learn and deepen your knowledge of Python as a new programming language in an entertaining, interactive, autonomous and flexible course. Stop procrastinating and start NOW! Learning the Python Language is something that is a really worth investing time. To order your copy, click the BUY button and download it right now! End-of-Chapter Exercises Tell me and ill forget. Show me and i may remember. Involve me and i learn. Because we know that: each Python chapter comes with an end-of-chapter exercise where you get to

practice the different Python properties covered in the chapter. If you are determined to learn no one can stop you. Here Is A Preview Of What Youll Learn When You Download You Copy Today:What is Python and why learn it?InstallationVariables and DatatypesBasic OperatorsSequencesWorking with listsWorking with stringsSetsDictionariesConditionalsLoopsCustom FunctionsClassesModules and PackagesFile HandlingAdvanced FunctionalitiesExercises and solutionsMuch, much more! Download your copy today! The contents of this book are easily worth over \$15,99, but for a limited time you can download Python: Learn Python In A DAY! for a special discounted price of only \$10.99 To order your copy, click the BUY button and get it right now!
