

Les Arts decoratifs (French Edition)

Du Moyen Age a l'Epoque contemporaine, l'art decoratif peut etre defini par les materiaux, le design et les objets artistiques utilises a la fois en architecture urbaine et en architecture dinterieur. Comme beaucoup d'autres formes d'art, l'art decoratif continue a se developper, ajoutant a l'utilite de simples pieces comme des chaises une dimension esthetique pour s'orienter vers des objets purement ornementaux. Les Arts decoratifs, en valorisant tous les supports d'expression de l'art decoratif a travers les siecles, aspire a faire leloge de ces edifices et objets souvent sous-estimes. A l'origine non consideres comme des arts appliques, leur potentiel artistique ne fut reconnu qu'au XXe siecle lorsque la production industrielle remplace la creation artisanale. L'anciennete, l'authenticite et surtout la singularite de ces precieux travaux sont aujourd'hui les nouveaux standards de qualite et de beaute de l'art decoratif. Rejoignez-nous pour la decouverte de l'evolution de l'art decoratif a travers cet apercu des principaux chefs d'oeuvre a travers le temps.
