

## Press My Buttons (Suburban Submission Book 1)

Im shopping in a drugstore when a tall blond woman in boots catches my attention. Shes not my usual type, but she already looked me up and down twice. Her steady eyes and sly smile are enough to keep me interested. Lets see where this goes. This is a romantic lesbian BDSM short story set in Nina Fairweathers fictional Suburban Submission world involving dominance and submission, wardrobe selection, suspension bondage, and sadomasochism.
