

## Let the Dead Sleep (Cafferty & Quinn Novels Book 1)

An Object of Desire? Or of Fear? It was stolen from a New Orleans grave the centuries-old bust of an evil man, a demonic man. Its an object desired by collectors and by those with wickedness in their hearts. One day, its current owner shows up at Danni Caffertys antiques shop on Royal Street, the shop she inherited from her father. But before Danni can buy the statue, it disappears and the owner is found dead. Michael Quinn, former cop and now private investigator, is determined to find and destroy this object with its long history of evil and even longer trail of death. He and Danni are drawn together in their search for the missing statue, following it through sultry New Orleans nights to hidden places in the French Quarter and secret ceremonies on abandoned plantations. But Cafferty and Quinn know that their story wont end when this case is closed and the dead rest in peace once again.
