

Levity: A Gay Fairy Tale

Cursed as an infant with a lack of physical and emotional gravity, Prince Efrosin cant keep his feet on the ground or his head out of the clouds. Laughing his way through life, hes never been weighed down by love and lust. Then one fateful day, his tenuous tie to the earth is severed and he blows away on the wind. Hes rescued by Dmitri, a handsome young woodsman who suffers from a mysterious curse of his own, and the two strangers are irresistibly drawn together. Experiencing sex and love for the first time, they dive into a delightfully sensual and passionate affair. But the evil witch who cursed them is planning her ultimate revenge. Efrosin and Dmitri must fight to find their fairy tale ending and live happily ever after. Previously released as Earthly Desires in 2012.
