

## The Release Club 3: Jezebels Surrender (Brown Bag Series)

MATURE CONTENT WARNING- Not appropriate for young readers under the age of 18. \* \* \* This is an erotic romance serial series containing graphic, panty-dropping sex. If voyeurism, multiple partner sex, wild sex, sex in the dark, sex with strangers...if sex generally offends you, then this is not your book. \* \* \*The final book in the Jezebel & Daire trilogy is right here! Book three in the Brown Bag Series, Jezebels Surrender, sizzles with even more content as Jezebel leaps into the fire! Jezebel takes the leap toward shedding her vanilla ways for good, incinerating them with a roiling trip into the Dark Room with Daire and Jade that you won't want to miss. But there's one little problem. Jade has secrets that could change everything. Add to that, a chance meeting between members in an unlikely place that leaves Jezebel's world on tilt. It all adds up to Jezebel's final decision of exactly how far she's going to let Daire take her, how deep she's going to let anyone in, and how she can fit everything she desires into the heady walls of The Release Club.
