

Evas Secret: Volume Four - Releasing the Wild

Volume Four of the Evas Secret series! Evas got a problem. Shes smart, beautiful, and a werewolf shapeshifterbut shes fallen for a regular, normal human. And to make matters worse, her brother is the Alpha of the pack and will definitely not approve. Evas sure shes lost Gav, but she still has responsibilities to the pack; she hauls herself together and goes back to them. But a stranger in their midst triggers a wild moment when she opens herself up to Gav -- and the pack -- in an entirely new way. Fans of Bella Andre, Rachel Gibson, and Kristan Higgins will love this steamy, spicy romance series with strong, independent woman and sexy alpha heroes.

Praise for Evas Secret: Things heat up fast and I liked the storyline...Good characters and great chemistry throughout. Plus its very erotica and sexy. I was completely sucked in from the beginning. The connection between Nathan and Eva was undeniable. It was such an exciting and devilish good tale. However, the ending...holy cow...how am I going to get my mind off it when it ended like that? I cant wait to read more! Warning: This book contains hot and heavy action, spicy descriptions, a cliffhanger, and sultry times. Read at your own risk...or delight!
